INTENSIVE BACK MASSAGE

JOHANNES SALCHENEGGER

50 MINS. / € 80,-

During this intensive massage the palms of the hands and lower arms are used to warm the client's back, neck and shoulder muscles and to prepare them for the subsequent cupping massage. The result is deep relaxation and rejuvenation. Depending on the location of hardened tissue and blockages the masseur carefully applies trigger point treatment to gently reach into the deeper levels of the neck, shoulder and lumbar muscles. The whole back will be flooded with soothing feelings of warmth and comfort.

THAI YOGA MASSAGE

75 MINS. / € 88,-

Thai massage is an intensive massage without oil which is given on the floor on a special mat. Through an integrated succession of treatments like passive stretching and yoga, deep relaxation of the massaged person and an effective harmonious balance of the whole organism are achieved. Traditional Thai body massage is a unique way of increasing physical well-being and body awareness. Please come for your treatment dressed in comfortable, loose sportswear.

RESONANCE MASSAGE

50 MINS. / € 75,-

Back massage in combination of loose massage movements and heat as well as soft loosening of knotted muscles with traditional massage cupping. Just as helpful and effective are singing bowls whose vibrations dissolve any remaining tension.

DORN-BREUSS-MASSAGE

50 MINS. / € 75,-

The Dorn method is used predominantly for back and joint problems. This method is used to correct the posture of the body when the pelvis is misaligned. Breuss massage is administered after the Dorn massage to stimulate the muscles around the spine. It also dissolves deep internal blockages. For our Breuss massage we use St. John's Wort oil.

TRIGGER POINT BACK MASSAGE

45 MINS. / € 80,-

Firm targeted muscle massage to loosen painful muscle tension. Trigger points are caused by muscle injuries, one-sided physical stresses, inappropriate stress or excessive stress, operations and similar. The aim of the massage is to loosen the tension, to encourage blood flow through the muscle and to relax it. Combined with hot cherry stone pillows.

COLON MASSAGE

50 MINS. / € 70,-

Colon massage is a gentle abdominal massage that encourages the body's metabolism and digestion. Various techniques such as cupping massage and singing bowl massage support the effect and relax the whole nervous system. The application also aids with the digestion of emotional blockages.

FOOT REFLEX ZONE MASSAGE

50 MINS. / € 70,-

A relaxing footbath is followed by a gentle massage of the reflex zones of the foot. The theory of reflex zones is based on the assumption that zones on the soles of the feet are linked with inner organs and that a massage can have a positive effect.
